ABOUT

FR

Emmené par Charlotte et Keni et accompagné de Livia (claviers), Lucas (basse) et Lukas (batterie), le duo Charlotte Grace propose une **pop fraîche** ascendant neo-soul.

Emprunte de sonorités douces-amères et de ritournelles enivrantes, Charlotte Grace est à l'image de son nom : sulfureuse et électrisante. La voix volcanique et tendre de Charlotte mélangée aux arrangements hypnotiques de Keni nous transporte dans un tourbillon sonore qui donne une furieuse envie de sauter dans une Cadillac électrique pour sillonner d'imaginaires highways. En 2018, Charlotte Grace dévoile son premier EP « Birth » : puissant et élégant. La tournée s'achève sur la scène mythique du **Montreux Jazz Festival**.

Après la sortie du single et du clip « Failing King », le **prochain album** attendu pour janvier 2024 promet d'être une nouvelle bombe musicale et émotionnelle.

ENG

Led by Charlotte and Keni, and accompanied by Livia (keyboards), Lucas (bass) and Lukas (drums), the Charlotte Grace duo offer fresh pop with a neo-soul edge.

With its bittersweet sounds and intoxicating ritornellos, Charlotte Grace lives up to its name: sultry and electrifying. Charlotte's volcanic, tender voice blends with Keni's hypnotic arrangements to transport us into a whirlwind of sound that makes you want to jump into an electric Cadillac and cruise imaginary highways. In 2018, Charlotte Grace unveiled the EP « Birth»: powerful and elegant. The tour came to a close on the legendary stage of the **Montreux Jazz Festival**.

Following the release of the single and video «Failing King», the **next album** due in January 2024 promises to be another musical and emotional bomb.

A dimly lit room with stone walls, a fireplace, and a person lying on a sofa. The scene is atmospheric and moody, with warm lighting from the fireplace and candles.
